

### **Buyer / Senior Buyer - Babies R Us**

This is a great opportunity for an experienced Buyer with a strong background in nursery products to join our Babies R Us department.

Toys 'R' Us is the UK's most successful Family Leisure, Babycare, Multimedia and Toy retailer. Toys R Us was founded in the UK in 1985 with the opening of 5 stores and since then we have grown throughout the UK. Our increasing range of product introductions in Babies R Us, Teentronics, Multimedia and Universe of Imagination add further dimensions to our unique customer proposition.

### **Skills:**

The ideal candidate will be an established buyer with good sourcing experience and strong product knowledge. You will need to be creative with an fantastic eye for detail and quality. An experienced negotiator with excellent communication skills and the desire to drive product development forward. You will be responsible for range planning and sourcing products. It is essential that you can work closely with merchandisers and the rest of the team, forming good solid working relationships.

If you have any questions about this role then please contact Tracey on the number below or alternatively send an email.

**Due to the high number of applications we are currently receiving, please can you state your salary expectations or current salary when applying for this role in order for your application to be processed. Many thanks.**
